

A Better Class of Oil

The Penrite Difference

- Family owned and operated, Australian made since 1926
- Australia's number 1 independent oil company
- Premium brand using only quality "virgin" base oils and additives
- High level customer satisfaction and voted number 1 preferred supplier
- The product offer covers a wide range of applications including modern and classic automotive, motorcycles, marine, agriculture, horticulture, mining, heavy duty, commercial and industrial
- Highly trained technical training and customer service representation
- Complete technical backup support 7 days a week
- Ability to make "problem solving" products for specific applications
- **EXTRA TEN, FULL ZINC** SAE viscosity products including **SHEAR FREE**
- First to market with the latest industry technology and manufacturer approvals
- 100% quality satisfaction guarantee

POWER STEERING & SUSPENSION FLUIDS

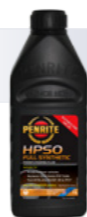

At Penrite, we manufacture a wide range of general and specialty Power Steering and Suspension Fluids to ensure that the correct product and specification is available for each vehicle. Modern vehicles use an array of different products with different specifications in their power steering and suspension systems and selecting the correct type of product is critical to the performance and safety of each particular vehicle. Penrite provide a range of products that covers the vast majority of cars, 4WDs, light and heavy commercials vehicles. The range includes full synthetic, semi synthetic and premium mineral fluids, applicable to vehicles manufactured in Europe, Japan, Korea, China, USA, and Australia as well as many other countries.

HPSO (Honda Power Steering Oil)

Product Code	Pack Size	Carton Qty	Base Oil: Full Synthetic Alternative Viscosities: SAE 20	Colour: Straw
HPSO001	1 Litre	6	Key Specifications: Honda PSF/PSF-II/PSF-S/PSF-V, Ford M2C134-D (in performance models)	
Penrite HPSO is a premium full synthetic oil specially designed for use in power steering and suspension units. It contains a unique combination of anti-shudder additives, dispersants and seal swell additives along with a specialised synthetic base oil to offer maximum wear protection, long service life and minimisation of viscosity loss.				

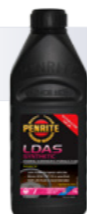

HDPS (Honda Dual Pump System)

Product Code	Pack Size	Carton Qty	Base Oil: Semi Synthetic	Colour: Straw
HDPS001	1 Litre	6	Key Specifications: Honda DPSF	
Penrite HDPS Fluid is a premium semi synthetic oil specially designed for use in Honda Dual Pump System differentials. It contains a unique combination of anti-squawk additives and synthetic base oils, to provide maximum wear protection and extended service life.				

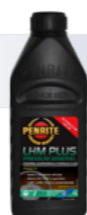

LDAS Fluid

Product Code	Pack Size	Carton Qty	Base Oil: Full Synthetic	Colour: Green
LDAS001	1 Litre	6	Key Specifications: MB 345.0, Ford M2C204-A, Opel B 040 0070, VW 521-46 (G2000/G4000 M2), ISO 7308, Volvo 1273.36, ZF TE ML 02K, PSA S 71 2710, DIN 51524T2	
Penrite LDAS Fluid is a full synthetic hydraulic fluid, especially developed for suspension, power steering, brake, levelling systems and hydraulic suspension systems. It can also be used in shock absorber, hydro-pneumatic suspension, traction and stability control as well as a direct replacement for OEM Pentosin CHF11S.				

LHM Plus

Product Code	Pack Size	Carton Qty	Base Oil: Premium Mineral	Colour: Green
LHMP001	1 Litre	6	Key Specifications: Renault PSA B71 2710, Ford ESN M6C59-A, ISO 7308, Massey Ferguson MF 1151, VW 2000	
LHMP020	20 Litres	1		
LHM Plus is a premium mineral oil specifically designed for use in power steering, suspension, hydraulic and braking systems meeting ISO 7308 for petroleum based fluids used in stored energy systems.				

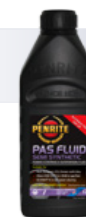

MB15

Product Code	Pack Size	Carton Qty	Base Oil: Premium Mineral	Colour: Amber
MB15001	1 Litre	6	Key Specifications: MB 343.0, ISO 15	
Penrite MB15 is a light, high viscosity index, zinc free premium mineral oil designed for suspension components and hydraulic self-levelling suspension units that specify MB 343.0 for Mercedes-Benz vehicles.				

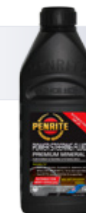

PAS Fluid

Product Code	Pack Size	Carton Qty	Base Oil: Semi Synthetic	Colour: Green
PAS001	1 Litre	6	Key Specifications: Land Rover STC 50717 (ACE), Chrysler MS-5931, Chrysler MS-9462, MB 236.3, MB 341, Ford M2C195-A (Power steering only), GM 9985835/9985819, VW TL-VW-570-26, Opel 90 513486	
Penrite PAS Fluid is a premium, semi synthetic oil specially designed for use Australian, European, US and Korean power steering and suspension systems. It contains a special Anti-Shudder (noise and chatter) additive.				

Power Steering Fluid

Product Code	Pack Size	Carton Qty	Base Oil: Premium Mineral	Colour: Straw
PSF0005	500 Millilitres	6	Key Specifications: Ford M2C134-C/D (not for use in tractors), PS 11872, GM 9985010, Chrysler MS-1872	
PSF001	1 Litre	6		
PSF020	20 Litres	1		
			Penrite Power Steering Fluid is a premium mineral based, multipurpose power steering fluid designed for use in conventional power steering units that specify a conventional type Automatic Transmission Fluids (ATF's) ie DEXRON® II and III Fluids.	

Power Steering Stop Leak

Product Code	Pack Size	Carton Qty	Colour: Amber
ADPSL375	375 Millilitres	6	
Penrite Power Steering Stop Leak has been specifically formulated to control leaks in the power steering system due to deteriorated or worn seals and gaskets.			

Penrite 4297 (Power Steering Additive)

Product Code	Pack Size	Carton Qty	Colour: Brown
PEN4297000150	150 Millilitres	12	
Penrite 4297 is a top-treat additive formulated to alleviate shift problems in automatic transmission systems and manual transmissions that utilise an automatic transmission fluid. Can also be used to reduce noise and wear in power steering systems of passenger vehicles.
